DEFENSE DAY PARADE

TO FETE CIVILIAN VOLUNT'RS

Diplomas To Those Who Finished Training

By BOB BAKER

When the opening notes of the "Commander March" are struck by the Daly City Band promptly at 1 p. m., Sunday, near the county line, Daly City will begin her Civilian Defense Day festivities, paying homage to nearly 250 civilian defense volunteers, trained and certified to protect life and property in this community.

There on the county line, Daly City will begin her first parade since the start of the war when residents of this community thronged the city hall to place their names on the rolls of civilian defense. The parade, Sunday, is only the introduction to the day's festivities to honor volunteers who have completed their basic training. The parade will proceed down Mission street to the athletic field at Jefferson Union high school. Here all residents of this community are invited to attend ceremonies in which the large group of volunteers will receive diplomas for having completed 90 hours of basic training. The course includes 20 hours of first aid and the balance in civilian defense classes in gas defense, fire defense, and general training. The latter depends on the service in which the volunteer is enrolled.

These volunteers who have worked diligently in first aid classes, have sacrificed leisure hours for defense lectures, and who have pledged themselves to civil protection of Daly City—these are the men and women who will be honored, Sunday.

Councilman Hugh Smith jr., who is arranging all details for the day, advised all persons wishing to see the ceremonies to be present at the high school athletic field early Sunday. Gates will be open at 12:30 p. m.

When the corps of civilian defense workers, wearing the shining white helmets of the national Office of Civilian Defense, proceed into the athletic field with the rest of the parade, the ceremonies will begin.

Arthur J. Bodien, director of Daly City's Civilian Defense Council, is chairman of the day, and he will introduce all the speakers. Bodien had been connected with local defense efforts even before the war.

Mayor A. J. Gaggero will deliver the introductory address of the afternoon, greeting the spectators. He will be followed by the main speaker of the day, Kenneth Hammaker, executive director of the California State Council of Defense. Three other distinguished speakers will be Captain John Palmer, United States Army, Earl P. Wilsey, chairman of the San Mateo County Defense Council, and Louis Lengfeld, defense co-ordinator for cities of the county.

Diplomas will be presented by Chairman Bodien, to all of the volunteers who have completed basic training.

The Daly City Band, under the direction of George Brenner, will present a program of stirring patriotic marches at the high schooi field program in addition to marching in the parade. Brenner announced that the band will feature "Stars and Stripes Forever," "United States Field Artillery March," "Semper Fidelis," "Anchors Aweigh," and many others.

Although plans were still tentative, yesterday, Councilman Smith announced that a company of 200 trained marching men of

Housewives Urged To Save Grease

To obtain glycerine, a vital war product used in the manufacture of high explosives, including bombs, shells, and bullets, housewives of Daly City were urged to enter the victory campaign by donating their waste fats and grease from the kitchen.

Far behind other San Mateo county cities, the drive in Daly City has met with little success. It is one of the most needed war products which have been salvaged to date. The Salvage for Victory committee added that every pound of waste fats saved will make two anti-aircraft shells.

After the fats have been saved the housewife is asked to take it to her butcher. Any meat dealer is a collection depot for waste fats and greases. Although in many areas the butcher is paying housewives 4 cents a pound for each donation of fats and greases, the drive in San Mateo county is being operated purely on a donation basis. All profits realized are turned over to the USO fund. by butchers in San Mateo county.

Housewives may prepare fats for salvage in this manner:

1. After all uses for cooking are exhausted, strain the fats and greases through a kitchen sieve into a clean widemouthed can.

2. Do not use glass or paper containers, since the oil value is destroyed in this type of container.

3. Keep the fats in a refrigerator or a dark, cool place.

4. When a pound or more has accumulated, take it to the butcher shop.

D C YOUTHS TO BE 20 BEFORE ARMY DRAFT

C. D. Practice In Mock Bombing

Benefitting by a previous drill of civilian defense volunteers in the Crocker tract and west end, the civilian defense corps in the south end of the city showed great improvement in providing protection to Daly City's populace in a mock bombing, last week.

The drill included incidents in sectors 11 to 22 with all services rolling, putting out incendiaries, giving first aid to injured persons, and discharging all duties which arise in case of a disaster. They were at a great advantage over their fellow defense workers in the northern section of the city, who were not aware of what type of incidents to expect.

The Civilian Defense Council passed approval of the drill last week as 90 per cent perfect. Another drill for the first ten sectors is expected to be practiced in the near future.

A major incident in the rehearsal was the conflagration started by incendiary bombs at the H. H. Smith Lumber yard. Fire companies from the Daly City Fire department and auxiliary firemen were called to the scene, complete with apparatus. Lines were laid there and drills in extinguishing and preventing the spread of fire were rehearsed.

Two major incidents in the demonstration in which first aid units in the south end received a workout were the heavy explosion at the Legion hall, 474 San Diego avenue, and explosion and fire at the rear of Woodrow Wilson school on Santa Barbara avenue. At the Legion building four casualties supposedly occurred. First aid units and ambulances were rushed to the scene and the injured were treated. Bandaging of patients by south end first aid units was inspected and approved by John Matzek, first aid unit leader in the non-participating zone in the Crocker tract.

Company 1 of the fire department responded to the call at Woodrow Wilson school and rehearsed the extinguishing of incendiary fires there. Five casualties were treated by first aid units there also.

Eleven New Teachers On Jefferson Staff

Jefferson Union high school began the fall term, last Monday, with eleven new teachers on the faculty.

Heading the list is Miss Mary Louise Bergquist, a graduate of the University of California and previously a teacher at Dos Palos. She teaches algebra, general mathematics, penmanship and spelling.

Adolf Hansen, a graduate of Stanford university, and a resident of Burlingame, teaches English and United States history.

John P. Harville, also a graduate of Stanford, comes to the school from Englewood. He teaches biography and photography.

Miss Mary Dell Johnson, a garduate of Mills college, now teaches biology and general science.

Miss Beth Learned teaches English. She is a graduate of the University of California.

Stanley Martin comes to Jefferson from the California School of Arts and Crafts. He teaches industrial art, mechanical drawing and stage crafts.

Miss Claire Nace replaces Miss Juanita Young in girls' physical education.

Edman J. Rose and Glenn South come to Jefferson to teach

18-20 Youth Age Group Is Already Classified

Not until the twentieth birthday is reached will a youth registered with Daly City Draft Board No. 103 be drafted, Dr. J. C. McGovern, board chairman, announced yesterday.

Until a bill is actually passed by Congress authorizing the drafting of 18 and 19 year old registrants, they will not be drafted from this board. The men in this board who registered in the last signup for youths of 18 to 20 have been numbered according to their ages even down to the month. When a man reaches the age of 20 he is regarded as having reached a draft age.

The board here has not really begun yet to draft men with families although the selective service system in the months ahead over the entire nation apparently will require the family men in the army or in war plants. The work-or-fight rule will be in effect universally, according to draft authorities.

Daly City, in close proximity to Bay Area war plants, will obviously undergo many changes in family life in the next few month. Over half of the Daly City Draft Board No. 103 registrants are engaged in war plants, Dr. McGovern said. On determining whether a man should be drafted or deferred to remain working in war plants, Dr. McGovern said the local board must receive proof from the plant that the registrant is actually vitally needed in his job. It is the board's duty to decide whether a registrant can serve the nation's need better in a war plant than in the army.

Nothing less than a journeyman in a war plant is considered for deferment to the 2-b classification. Also in compliance with selective service instructions, the board cannot defer war plant workers who have been engaged in that work less than six months prior to their draft order.

Blood Donations Lag To Standstill

After a spirited start in support of the San Mateo County Blood Bank, which was climaxed by the arrival of 75 pints of blood plasma for use here, Daly City's rapid decline in blood donations came to a standstill this week when Mrs. Catherine Foreman, local chairman, reported no donors.

For the second successive week no appointments have been made through the local chairman for donors to have blood extracted for use in storing blood plasma and subsequent blood transfusions. By far one of the most worthwhile countywide promotions since the start of the war, the blood bank hopes to obtain 1000 pints of blood to be converted into a like number of units of blood plasma.

The Daly City Fire department remains the only local group who are making progress in aiding the bank to obtain the 1000 units. The local department, under the supervision of Captain A. L. Sundstrom, continues to make donations. Each fireman in the department has pledged himself to give to the blood bank. Although none were made, yesterday, due to the holiday, eleven firemen are slated to donate, Saturday.

On the strength of her cash donations to the bank, Daly City was able to increase the protection of civilian lives here by the acquisition of the 75 pints of

Fun Riot Film Now At Daly City

At last Hollywood has come up with a refreshingly new story idea, amusingly developed and cleverly played. It is now playing at the Daly City theatre, and it proves itself a winner to a delighted audience.

The picture, "Take a Letter, Darling," co-stars Rosalind Russell and Fred MacMurray, with Macdonald Carey, Robert Benchley and Constance Moore in supporting roles. It was produced and directed by Mitchell Leisen. The plot concerns the determination of a highly successful business woman (Rosalind Russell) to keep her back turned on romance, and the equal determination of her good-looking male secretary (Fred MacMurray) to make her do an about-face.

There are riotous complications when a woman-hating tobacco magnate (Macdonald Carey) also falls for Rosalind That stubborn lady refuses to admit her infatuation for MacMurray. To punish her, he pretends to go for the magnate's sister, Constance Moore.

Robert Benchley as Miss Russell's business partner, is funnier than ever. Leaving all the work in her capable hands, he spends his time playing with all kinds of games and gadgets.

"Take a Letter, Darling" is vastly entertaining film fare. It bubbles with good humor and gayety and is definitely one of the not-to-be-missed hits.

Sh-Sh-Sh-! MacMurray at Work! He's being nice to Constance Moore and, believe it or not, that's his job in Paramount's gay romantic, "Take a Letter, Darling," which is now playing at the Daly City theatre and which co-stars him with Rosalind Russell. MacMurray as Miss Russell's secretary must entertain prospective feminine clients. Actually, Rosalind would like to be entertained. Result: conflict. Also in this high-spiirted comedy are Macdonald Carey, Robert Benchley and Cecil Kellaway, rounding out an extremely well-balanced cast.

Present Amer. Legion Color Guard At Theater

Patrons of the Daly City theatre witnessed a demonstration of the color guard of the Daly City Post No. 410, American Legion, Sunday evening.

Led by Post Commander Emil Pahlka, the color guard advanced to the stage to the tune of "God Bless America." Members of the color guard were Leslie Hill, adjutant A. G. K. Jackobsen, past commander, and John Matzek, sergeant-at-arms. Mrs. Marce Trier, chaplain; and Mrs. Margaret Kennedy, marshal, represented the Ameriacn Legion ladies auxiliary.

Speaker Charles Whitney, commander of the second district area district and first county council commander of the twenty-first district, American Legion, gave a short inspiring address on the importance of buying war bonds and stamps. "Boys and girls at home should buy more bonds and stamps so that soldiers at the front may have more tanks, guns, planes, and ammunition to knock out the axis quickly. Money from your purchases can help a long ways to provide the things they need," he declared.

On completion of Commander Whitney's talk he asked the audience to rise and give three rousing cheers for the boys at the front. As the tremendous response died down, words of the "Star Spangled Banner" were shown on the screen and sung by the audience.

Special honor was given to the women's auxiliary for their part in the bond and stamp sale. Henry Combe, chairman of the local drive stated, "Sales were very gratifying and every one is much pleased with the marvelous response. Let Daly City continue its good work."

Ariani Family Is Held By FBI

Preliminary hearing was expected to begin today in San Francisco against an attorney who formerly maintained business offices in Daly City. The man is Romolo Ariani, who is held with three other members of his family by the FBI. They face charges of conspiring to conceal assets in bankruptcy and an indictment for embezzlement of $155,000 in Chicago.

The San Francisco FBI made the arrest, Saturday, of Saverio Ariani, former Chicago bank president and father of Romolo, the elder's wife, and another son, Carlo Ariani. They are being held in $40,000 bail. Charges against the senior Ariani date back eleven years ago when he fled Chicago after the collapse of his bank there. He later came to San Francisco where he lived under the name of Carlo Ovianni.

Over $80,000 worth of bonds, cash and securities were uncovered by the FBI in a hidden wall safe in the Ariani home in San Francisco. They also found $100,000 worth of insurance policies, records of the Chicago bank owned and operated by the family, and a will of Saverio Ariani which revealed a general statement that he owned "considerable property."

Several other charges against the family are expected to be disclosed in the hearing.

Ariani was prominent in business and organizational activities in Daly City.

VFW Auxiliary Sponsor Bond Sale

"Buy a war stamp? Buy a bond?"

That is the cry of the ladies of the Old Glory auxiliary, No. 2044, Veterans of Foreign Wars. Members of this organization are adding their bit to the billion dollar drive now in progress in theatres all over the country. They have taken over the attractive victory booth in the Daly City theatre for this week.

Mrs. Walter Lehigh, Red Cross chairman and bond and stamp chairman, will be in charge. Among the many assisting her will be Mrs. Rose Doolin, Mrs. Nellie Jensen, Mrs. Ethel Dorn, Mrs. Margaret Krull, and Miss Anita Lehigh.

Howard McHugh, commander of the Old Glory post, No. 2044, Veterans of Foreign Wars, pledges the cooperation of all his members in this important drive.

Honor New Sailor At House Party

Over 75 friends of Larry McKeown met in his home last Tuesday evening to wish him luck as a new sailor in Uncle Sam's Navy. The party was given in his honor by his parents, Mr. and Mrs. F. J. McKeown, 44 Los Banos avenue.

The evening was enjoyably spent dancing. Later a buffet luncheon was served from a decorative table of red, white and blue.

McKeown is the only son of Mr. and Mrs. McKeown. He has been a resident of Daly City all his life and attended the local schools. While a student of Jefferson Union high school he was a member of the popular swing band, Indians of Rhythm, and is known for his fine saxophone playing. Upon his enlisting in the navy he will begin training at the Great Lake academy, Chicago, Illinois.

Salute to the MEN and WOMEN of CIVILIAN DEFENSE

should WAR come home... they're Ready!

This war will be won by the spirit of the American people. This spirit is in the young men of our armed forces. It is the spirit of clean-living, clear-eyed, hard-hitting American youth. It is also in the spirit of unselfish sacrifice of personal time and energy by all who must remain on the Home Front. In tribute to the latter, we salute the men and women of Civilian Defense.

Who are these men and women? They are your friends and neighbors whose days are active and whose nights are given to the half-hundred activities of Civilian Defense.

In this work it is natural that many employees of this company take active part. As workers in public utility service they have special adaptabilities valuable to vital branches of Civilian Defense.

Likewise, there are many men who through long years of experience have developed special skills essential in keeping the output of gas and electricity flowing at top speed so that war plant production may run ahead of schedule.

Already more than 1,200 of the young men of this company are in the armed forces. Each month this total grows.

In Civilian Defense are more than 4000 company employees—nearly forty per cent of the total number.

In the mountain regions, close by the great power plants, hundreds of these men and women are Airplane Observers.

Men and equipment of this company are enlisted in Demolition and Clearance Crews, Bomb Squads, Auxiliary Firemen, Feeding and Housing, Rescue Squads, Road Repair Crews, Air Raid Wardens and many other activities.

We are proud to be part of this army at home. It is the people's army — sober, serious, trained and ready for Public Service.

Motorist Cited In Dimout Violation

Another motorist, violating speed laws and dimout rules alike, on Mission street was cited by Daly City police, Saturday night, after a chase by two civilian defense officers on dimout patrol duty.

Jay Monroe Alexander jr., Burlingame, was the offender. He was driving a Ford sedan south on Mission street at a high rate of speed, and failed to heed the whistle or warning light of Norman Barrow, air raid warden of sector 14. After the signal was given, Barrow said Alexander increased his speed down Mission street.

Barrow quickly commandeered another car, and, with Auxiliary Police Officer Louis Borzano, pursued the Alexander machine. The two civilian defense officers overtook the speeding sedan at Mission street and Vista Grande avenue. Alexander was brought to the Daly City Police department where Sergeant W. W. Sunderland issued a citation for violation of the 40 mile speed limit in California and posible violation of the Army's public proclamation No. 10 for dimming auto lights in areas designated visible from the sea.

Rosary was recited, Friday, in the Lasswell chapel with services following on Saturday morning at Our Lady of Perpetual Help church. Interment was at Holy Cross cemetery.

Mrs. Medo was well known in this community. She had resided here 31 years.

AIR RAID WARDENS FOR SECTOR 9

Air raid wardens who officiate in Daly City's Sector 9 are shown above. The sector for which they are responsible is boardered by Wellington and Crocker avenues, Mission street and Bellevue avenue. Following are the wardens shown in the picture: Kneeling, left to right: Paul Underhill and Luigi D'Elia; second row, left to right: W. J. Ward, William Jaques, William Bianchi, and Harvey Melicker; back row, left to right: V. C. Boynton, Winton Vagedes, Herbert Buckenmeyer, and L. J. Lagomarsino.

Wardens in that sector who are not shown in the picture are Arthur Alcioni, D. D. Dickson, and Mrs. W. J. Ward. Senior air raid warden for the group is Boynton. Because he is moving to another sector, however, he will be succeeded by Vagedes soon.

Six wardens in the sector have completed basic training, while several others have already completed the first aid part of their 90 hours training.

Paul M. Lewis, 33 San Pedro street, Daly City, and Elizabeth M. Hansen, Oakland, applied for a marriage license in Alameda county.

Men are dying for the Four Freedoms. The least we can do here at home is to buy War Bonds—10% for War Bonds, every pay day.

An application for a marriage license was made in San Francisco by Wilfred R. Beilman, U. S. Army, and **Alice L. Combs**, Daly City.

A. group are as follows: General Pershing unit, Mrs. Mildred Rasor and Mrs. E. Eliason; the Colma unit, Mrs. Virginia Lagomarsino; Woodrow Wilson unit, Mrs. Hazel Keagle; and the Jefferson high unit, Mrs. Catherine Foreman.

P. G. & E. To Bill Rural Areas Bi-Monthly

Users of gas and electricity in the rural areas served by Pacific Gas and Electric company will be billed for their service every two months after October 1 instead of the customary monthly intervals.

The change is made by the company as another step in its wartime cooperation, with conservation of automobile equipment and tires and saving of manpower its principal objectives. Bi-monthly billing will reduce by one half the mileage covered by meter readers and the time and labor spent in preparing customer bills.

Four-Foot Bass --But It Got Away

Arthur J. Bodien, while seeking a week or so of pleasure (though not much relaxation) from his influx of duties at the city hall, was without confidence as to just how much of his tale about a 4 foot long striped bass his fellow men would believe.

As a matter of fact, Bodien did not rely on simply a good, sound narration, smacking of authenticity. No, he went further than that; he had his lawyer prepare a legal document which contained the signatures of two witnesses who actually saw the tussle between Bodien and the striped bass in San Pablo bay.

You guessed it; it was one that got away, but not without effort. Bodien "struggled with might and main," according to the document, after the strike made his line taut and it started to unwind. He applied the thumb-brake and the star drag in an effort to stop the runout of his line, the two witnesses said.

Finally succeeding, he reeled in many yards of line, and the end of the line was carried around the stern to the opposite side of the boat against the rudder. Failing to heed a series of instruction and words of advice from the two witnesses, Bodien was heard to cry out more than seventeen times: "I am not excited." It was on this part of the whole episode alone that the witnesses failed to agree with him.

"After several minutes of struggle in an effort to break his fishing rod," the document continued, "the said Arthur J. Bodien suddenly announced "He got away!' and reeled in his line which was missing the lower part of the leader, together with the lower hook and sinker missing."

With two bonafide witnesses, W. W. Tyson, San Francisco, and H. W. Hobbs, Black Point, signing the document, the tale is obviously credible. Both witnesses were emphatic in their declarations that the story is true. The striped bass, however, continues to be non-committal.

Appoint Committee To Nominate Officers

The executive board of the Crocker unit P. T. A. met at the home of Mrs. Virginia Davidson, 581 Hanover street, last Thursday. At this meeting the resignation of President Hazel Cassasa was received and accepted with regrets. Mrs. Cassasa found it impossible to carry on the duties of president for a day time organization.

The vice president, Mrs. Beatrice Caratti, who was in charge of the meeting, appointed a nominating committee to select and present a candidate to be elected and installed as president at the unit's regular meeting of September 15. The nominating committee is composed of Mrs. Bertha D'Isep, Mrs. Julia Jordan, Mrs. Marie Gehrig, Mrs. Agnes Prescott and Mrs. Eve Hobbs.

Due to the transfering of Crocker's honorary vice-president, Miss Aileen Suber, to Woodrow Wilson school, this same committee was also instructed to present a candidate for this office.

The date of the Life-Membership luncheon was set for twelve noon on Thursday, September 24, at the home of Mrs. Margaret Holzworth, 198 Acton street. All members and friends wishing to attend are asked to get in touch with Mrs. Holzworth, ELkridge 4179, before noon of Wednesday, September 23, so she will know how many to prepare for. Money from this luncheon will be put in the district P. T. A. fund from which any deserving student may borrow to finish his college education.

Plans were also discussed for the civilian defense parade to be held this Sunday. It was decided that since so many Crocked members are in first aid units or are daytime air raid wardens, that they will march with these units. All members of the Crocker P. T. A. are urged to contact the head of their particular defense unit and march on this day.

The next sewing circle will be held on Thursday at the home of Mrs. Lillie Cavagnaro, 428 Irvington street, RAndolph 7583. Members are asked not to bring sandwiches on this day, since a pay luncheon will be served. Money from this affair will be turned over to sewing chairman, Mrs. Emma D'Isep, to enable her to purchase more material for the annual bazaar to be held in December.

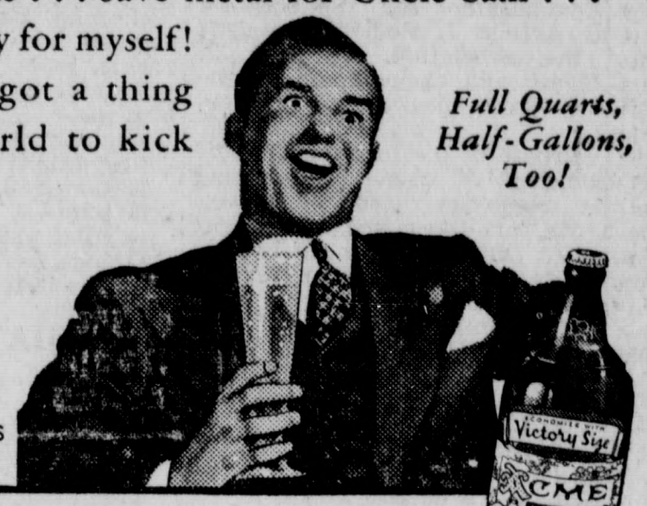

All members are urged to remember these dates: September 13, civilian defense parade; September 15, installation and regular meeting; September 17, sewing luncheon at Mrs. Cavagnaro's home; and September 24, Life Membership luncheon at Mrs. Holzworth's.

A WISE THING TO DO.
Buy A Bit of Land Now, Pay for It While Making Good Money and Build A Home Later.

This advice goes regardless of whether you buy in Country Club Park or elsewhere, provided you do not pay too much for the land or "bite off" more than you can chew.

We have been telling you about the Acre Farms (approx). at
COUNTRY CLUB PARK
El Camino Real
Just North of Tanforan

where you can acquire for future use a bit of land at a very reasonable price. Here you can grow vegetables, raise chickens, rabbits, etc., also keep a horse for your own personal use. This you can do while paying for your plot. Many have taken advantage of the opportunity and purchased an acre farm. Others looked but what we had did not meet their requirements. However, regardless of whether it be Country Club Park or not, our considered judgment is that now is the time to buy a homesite and prepare for the future. Later, when conditions change, building costs should be lower, and if your land is paid for it should be easy to finance a new home without any or very little cash.

Mrs. Catherine Foreman Entertains Jeff. PTA

Mrs. Catherine Foreman, 35 Woodrow street, entertained the executive board of the Jefferson Union high school P. T. A. at a luncheon served in her home Friday.

Following the luncheon the group held a meeting and made plans for the future work of the Jefferson P. T. A. Those present were Mrs. Marie Gehrig, Mrs. Martha Linden, Mrs. Ida Forest, Mrs. Stella Filarski, Mrs. Ida Hanley, Mrs. Grace Hill, Mrs. Lillian Thomey, and Mrs. Allene LeHigh.

Since so many members are active in Red Cross and other defense work that requires their time on Wednesday it was decided to change the executive board meeting to the first Thursday of each month and the regular meeting of the P. T. A. group to the second Thursday.

This change will go into effect immediately with the first regular meeting of the high school P. T. A. being held this afternoon in the Little theatre at 2 p. m. All members are urged to attend.

ECONOMY IN The Kitchen

Box Meals Need Careful Planning

The war worker's lunch box is becoming a regular part of menu planning in millions of American homes and thousands of homemakers are finding that a balanced meal in lunch box form presents new problems in the matter of easily packed items.

The lunch box should contain a hot soup or beverage, a raw vegetable or fruit, at least two sandwiches with a nourishing filling and some sort of light sweet. Crunchy vegetables such as celery, raw carrot sticks or radishes and apples (the crunchiest of the fruits) are especially good since they help to do away with that loggy feeling after a lunch box meal.

Both soups and sandwiches should be nourishing and where white bread is used it should be the enriched variety. It is well to remember that unless the lunch box contains one-third of the day's energy requirements the worker will not be getting a balanced diet as it will not be possible to get the added vitamin, protein and mineral amount necessary with the two remaining meals.

From Vivian Whaley, director of the A & P Kitchen, come these recipes for three sandwich fillings, a hot soup and cup cakes for a lunch box.

Peanut Butter Bacon Spread

½ cup peanut butter
⅓ cup Chili sauce
3 slices crisp bacon, crumbled

Mix together; chill before spreading.

Cheese Sandwich Spread

1 lb. American cheddar cheese
3 tbs. salad dressing
1 can undiluted evaporated milk

Chop or grate cheese, add salad dressing and evaporated milk; heat in top of double boiler, stirring constantly, until cheese has melted. Do not overcook. Store in jars in refrigerator.

Pimiento Cheese Spread: Add 4-ounce can of pimientos, finely chopped, to cheese mixture immediately after taking from stove.

Baked Bean and Ham Sandwiches

Mash 2 cups of left-over baked beans; add 2 or 3 tablespoons Chili sauce. Use with slice of ham for filling rye or whole wheat bread sandwiches.

Cream of Vegetable Soup

1 tb. butter
1 onion, minced
1½ cups cooked or canned vegetables
1 cup vegetable liquor
1 bouillon cube
½ cup hot water
1 tall can evaporated milk
Salt and pepper

Cook onion in butter a few minutes. Add vegetables and liquor; bring to boil; force through coarse sieve. Add bouillon cube dissolved in hot water. Add evaporated milk; season to taste; heat thoroughly. Any vegetable or combination of vegetables may be used. 4 servings.

Ginger Cup Cakes

½ cup shortening
½ cup granulated sugar
2 eggs
½ cup evaporated milk
⅓ tb. vinegar
¾ cup molasses
2½ cups sifted cake flour
½ tsp. soda
1 tsp. baking powder
1 tsp. ginger
½ tsp. cinnamon
¼ tsp. cloves

Cream shortening; add sugar gradually, beating until light and fluffy. Add eggs one at a time, beating thoroughly after each addition. Combine undiluted evaporated milk, vinegar and molasses and add alternately with sifted dry ingredients to first mixture; beat until smooth. Pour into greased cup cake pans; bake in moderate oven, 375° F., for 25 to 30 minutes. Makes 18 to 20.

Ask Cooperation In Junk Collection

All citizens of the town of Colma have been summoned to join a citywide drive for scrap metal to help keep production lines in America's war plants moving at top speed.

Caused by the desperate shortage of scrap metal over the entire nation, the drive began in Colma, Thursday, September 3, and it will continue until next Thursday. The Civilian Defense Council, headed by Director John H. Price, hopes to collect every available bit of scrap metal in the town in the next week.

Price was confident that the town could support the drive with a large collection after workshops and tool houses in all cemetery establishments had been combed for scrap. Nearly every residence in the community is capable of producing a good supply.

A collection depot has been set up at the rear of the city hall. All donors can drop their scrap there. If they cannot transport it to the collection place they can have it picked up by calling Delaware 7713, civilian defense headquarters.

Cemetery Employees Return To Jobs Tuesday

Fearful of a prolonged stoppage of work by employees of all cemeteries in the Bay area, Mayor Angelo J. Rossi of San Francisco invited employers, labor officials and Oakland City officials to a meeting in his office, Tuesday morning, to iron out differences between the cemeteries and their employees.

Tentative agreement has been reached on matters in dispute and employees returned to work, yesterday morning, according to John Price, secretary of the joint executive board of the Cemetery Employees Union local 10634, San Francisco, and the Columbarium, Mausoleum and Cemetery Employees Union Local 20372, Oakland.

It's a proven fact that a stored car deteriorates faster than one that is sensibly driven every day. The same is true of tires. If stored, they lose their resiliency and may even fall apart. Be patriotic and keep your car running. For complete, competent check-ups drive in today to—
